I further state that I am a(n) Task Force Agent and that this complaint is based on the following facts:  
Official Title

On May 25, 2008 at approximately 5:15 AM, The U.S. Border Patrol was operating a Loris Scope at the Devils River Bridge near Del Rio, Texas. The scope operator observed a boat entering the United States from Mexico without night navigational lights. The boat made landfall near the North side of the Devil's River Bridge (Highway 90 West). Three individuals disembarked from the boat and unloaded several large bundles and placed them near a parking area. Numerous loads of marihuana packaged in this manner have been seized in this general area on several occasions by the U.S. Border Patrol. A white sports utility vehicle (SUV) arrived a few minutes later and backed up to the bundles with the lights off. Two arrests were made at the scene by the U.S. Border Patrol. The driver of the SUV was identified as Hector Tomas BARAJAS and an individual from the boat was Miguel Angel GONZALEZ-Alonzo. During a post Miranda interview, both individuals admitted knowledge to the smuggling of the marihuana into the United States.
